

GC collects donated clothing all year round for those in need within the community.

Each week donated clothes are bundled for distribution. Some clothes are bundled ready to sell for those in the community who need a way to provide for themselves and their families. Bags are purchased from us and then the clothes are sold at markets in the city.

This initiative is run closely together with the leaders of the City Home Group and the data base of entrepreneurs is growing.

HOW CAN YOU HELP?

Collect Clothes

Donate clothes from home and those around you and drop them off at church.

Practical Assistance

Come and help on Wednesday mornings to pack the bags.

Train and Assist

Offer your services/skills to train people in budgeting, marketing etc.
