Parent Connection

Parent tool:

In the kids ministry we are teaching on 'Water Baptism'. We want to work in partnership with the parents as to the decision your child would possibly want to make in terms of being baptised themselves. Before being baptised, we would like your child to come to an understanding of what repentance means. It is important that your child understands what it means to repent, the purpose of His death and resurrection, and to follow Jesus as their personal Lord and Saviour. If this is true for your child we would like to encourage you as their parent to share in this incredible intimate and amazing moment in their walk with God on Sunday evening, 30 May 2010. Please re-enforce and explain what it means to be baptised in water.

The Narrow Gate & Wide Gate

What we learned:

We have choices, if we go through the narrow gate(Salvation) is not easy, we are on the road to life. If we go through the wide gate we are deceived.

Key scripture :

Matt 7:13&14"Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it."
