God has nice things to say

What we learned:

Today we learnt about true and false prophets from the old testament. The story we chose was about Elijah, when he defeats the prophets of Baal by having two alters built and daring them to ask their god to consume theirs. Obviously they can't, then he pours water all over his built alter to Father God and God completely consumes Elijah's alter with fire from Heaven. We also learnt that today we do not need alters as we have Jesus in our lives. We offer ourselves to Jesus as His worshipper.

Key scripture :

1 Kings 18:39..."The Lord -He is God! The Lord -He is God"
